BOARD ORDERS LINK SURVEYED FOR NEW ROAD

Project Described As Beginning Of Cross-County Highway

Over the opposition of Supervisor Thomas L. Hickey, the board of supervisors Monday ordered a survey and estimate made of a mile link of road just west of El Camino Real in San Mateo represented to the board as a possible beginning of the "San Joaquin-to-the-Sea" highway.

Mayor Aylett R. Cotton of San Mateo, introduced by Judge John J. McGrath of San Mateo, made the talk in favor of the survey. With him came other city and chamber of commerce officials from San Mateo, Burlingame and Hillsborough.

Cotton said the tri-city area was the "heart" of the peninsula, that there the bulk of population resided, and that there the bulk of assessed lands were located. Yet, he said, there was no direct outlet from the area to the Skyline boulevard and the coastside of San Mateo county.

Supervisor Hickey's opposition ot the survey was made on the ground that if the county indicates that it will do the work, no funds will be voted by the state.

Judge McGrath made a talk in favor of proceeding with county moneys, saying years have been wasted waiting for the state to act. He said all the cross-county roads were mere "trails," and better roads could be found at Milpitas.

W. W. Hendricks of the Hillsborough engineer's office; City Manager Earl P. Wilsey of San Mateo, and Surveyor James S. James all expressed doubt that the mile long link would fit into the cross-county highway scheme

James asked the board to specify what kind of a road it wanted built, so that he could proceed with an intelligent survey. Hickey replied that the road, if built, should be of the most permanent type of construction.

Wilsey said regardless of whether it would be fitted into the cross highway scheme it was an important link to that area and should be built anyway.

The resolution voting $4000 from the unbudgeted reserve fund to the general fund for work relief was adopted by the board on motion of Supervisor John Poole, Redwood City, seconded by Dr. C. V. Thompson, Burlingame.

Cole V. Stafford, son of Mayor Daniel R. Stafford of Redwood City, filed an application to be appointed as a traffic officer of San Mateo county.

Notices calling a freeholders and presidential primary election, naming of polling places and officers, and a special state election to vote on several referendum measures, were adopted on motion of Supervisor Thompson, seconded by Supervisor Poole.

MARY GORSE IN TEXAS, TELEGRAM

Missing San Carlos Girl Is Located, Family Hears

A telegram signed "Plainview Welfare Association," of Plainview, Texas, which said: "Mary is well. Wants to come home. Letter to follow," was received by Mrs. Charles Gorse, the girl's mother, last night. The Gorse home is at 1328 Magnolia avenue, San Carlos.

Mary Gorse, 16, has been missing since last Thursday, and no word had been received concerning her whereabouts until the telegram from Texas arrived. The girl, a sophomore at Sequoia high school, disappeared after telling her sister, Sadie, a senior at Sequoia, to look for a note in a bureau drawer at their home.

Chief of Police Edward Wheeler of San Carlos, who has sent out circulars describing the missing girl, and who has been checking with her relatives in Santa Barbara and San Francisco in an effort to locate her, said he would communicate with police at Plainview to ascertain if the message is authentic.

The Tribune, meanwhile, wired the Plainview Herald to check the original wire, and received the following telegram in reply:

"Mary Trye, aged 17, reported to Plainview police yesterday she was stranded. Said stepfather, Gorse, lived 1328 Magnolia avenue, San Carlos. Caught ride from Flagstaff. Sent to Amarillo tonight to be turned over to a Catholic organization pending orders from California. Had no definite destination. Said family differences caused runaway."

$140,000 'Heritance Tax Estimate on the De Laveaga Estate

Last week the executors of the estate of J. V. De Laveaga, deceased, paid into the county treasury as a partial payment on the inheritance tax the sum of $36,000 thus saving five per cent of that amount for settling before the expiration of six months as required by law. The total inheritance tax is estimated at $140,000. The Wells Fargo Bank and Trust Company are the executors. The money was paid by Judge Elmer Jennings of Atherton, assistant trust officer of the company.

De Laveaga died six months ago. He came from pioneer stock of California, his ancestors being here during the mission period and coming from Spain at an early date.

ROAD CLAIMS TRANSFERRED TO DISTRICTS

$10,000 Put Back Into Gas Tax Fund To Help Coastside

Claims representing about $10,000, heretofore charged to the Special Road Improvement Fund, into which the state gasoline tax moneys are paid, were transferred by the board of supervisors Tuesday to district funds.

This was done in order that the gas tax fund may be replenished so that Chairman Manuel Francis of Half Moon Bay, who has asked his colleagues for about $15,000 to carry out highway work in his district, may get that sum.

Dr. C. V. Thompson, of Burlingame, who has no highways in his district built with county highway bonds, offered Francis $4000 from his county highway maintenance fund, but this was not sufficient, the chairman said.

Supervisor John Poole of Redwood City, and Supervisor Rosalie M. Brown of San Mateo assured Chairman Francis that he would be taken care of in the matter of sufficient funds to carry out his highway projects. Francis requested the additional funds because he said the one-fifth share allotted him was not sufficient for the large territory in his district.

This transfer of claims throws considerable work on the offices of County Auditor Edward M. Stack and County Tax Collector Harry Jenkins.

'BRANDING' STORY OF JOE CRAMMER HIT BY ATTORNEY

Coast 'Phantom' Once Figured In Nevada Attack Case

The fantastic story told by Joe Crammer, 30, San Gregorio "phantom," of being railroaded into prison in Nevada was blasted today by George J. Kenny, Fallon, Nev., attorney, and former district attorney of Churchill county, Nevada, who prosecuted Crammer on a burglary charge in 1920.

In a letter to District Attorney Edmund Scott, turned over today to Superior Judge Franklin Swart, Kenny reveals that Crammer was involved in a case parallel to the Brotherton one in this county, which resulted in his being sent to San Quentin by Judge Swart.

In September, 1920, he was discharged from the ranch of E. T. Morgan. That night he returned and threatened to attack Morgan's 14-year-old daughter. But Mrs. Morgan fought him off, and to this day has never recovered from the assault, Kenny writes. She is now apprehensive lest Crammer go free and return to further harm her.

Crammer was locked in jail, but feeling among the citizens ran so high that he was secretly removed from prison and taken to the courthouse where he was permitted to plead to a burglary charge for breaking into the Morgan house, and was whisked away to prison to save him from a mob which planned to lynch Crammer, Kenny states.

Crammer told Judge Swart that he pleaded guilty to burglary because the Nevada sheriff threatened to brand him with hot irons.

COWGILL STATES HIS ATTITUDE IN COUNCIL VOTING

SAN CARLOS, April 13.—Mayor John E. Cowgill said today, concerning the published report that he had successfully opposed the re-election of Councilman E. R. Burton: "It is well understood that I did not lend any opposition to Mr. Burton personally, but opposed the Good Government League and the methods of its president and secretary. I regretted that he received the endorsement of that organization. If he had run independently, as did Mr. Sorensen and Mr. Hull, he would have received the highest vote cast on account of his widespread acquaintance and popularity. This unfortunate situation brought his defeat by Councilman Bryan by 17 votes."

EFFORT TO OUST BANK GUARDIANS OF ESTATE FAILS

Move For Non-Suit In Howard Case Wins Court Approval

Efforts of Charles S. Howard, automobile magnate, to have the Bank of America National Trust and Savings Association removed as guardian of the $70,000 estate of his son, Robert S. Howard, 15, student at the Menlo School, were defeated Wednesday.

Superior Judge George H. Buck granted the motion of the bank's counsel, Theodore Roche, Erskine & Keyes, and Edmund Scott, for a non-suit, throwing the petition out of court.

The jurist's action indicates that the evidence presented alleging that the bank has dealt with itself as trustee of a $2,000,000 Howard trust, in which the boy holds a third interest as a remainderman, did not in any way jeopardize the boy's estate.

Judge Buck today also had overruled the demurrer of Mrs. Fannie May Howard to the action for her removal as guardian of the person of her son, Robert S. Howard.

Mrs. Howard, now in Europe, had said in the demurrer that the alleged facts did not constitute an action and that they were ambiguous.

The jurist also overruled the demurrer of the Bank of America to the complaint brought by Charles Howard Jr., et al, for removal of the bank as guardian of the boy's estate.

SITE FOR NEW RESERVOIR IS NOW SECURED

Negotiations With Landowners Are Successful

City Manager E. A. Rolison announced today that negotiations which have been carried on recently for the acquisition of 4.169 acres near the end of Roosevelt avenue as the site for a municipal reservoir had been successful.

The city wil lpay $4169 for the site to W. W. Carson, owner of the property. The deal was virtually closed today by Councilman Paul McCarthy, who was commissioned on April 4 by the city council to negotiate with Carson.

Condemnation proceedings had been authorized by the council in order to secure the site, but it will not be necessary now to take the matter to court.

The city manager said that work would be commenced at once on the construction of the reservoir, which will be built of concrete. It is to be approximately 200 feet in diameter and will have a capacity of about 3,000,000 gallons.

Hall C. Ross, well-known Redwood City attorney, is expected back here the latter part of next week from Europe. He will arrive in New York within a few days.

Judge Cutler Urged To Run for Senate Seat in This County

Strong pressure is being brought upon Judge Fletcher Cutler to become a candidate for the senate in this county at the approaching election in August. He is a Republican and one of the outstanding orators of the state and a past grand president of the Native Sons.

Judge Cutler served a term on the superior court bench of Del Norte county some years ago. He also served as city attorney for Burlingame, which city is his home.

Cutler would be a dangerous candidate to measure swords with in a political battle. The judge has not made known his intentions in the matter.

Assemblyman Harry Parkman has already announced his candidacy for the place.

The assessment proceedings were recently ordered dropped by the city council, and last night the assessment roll was ordered by the council to be returned to Mehl for modification before presentation at a new assessment hearing.

JONES TO TAKE STAFFORD'S SEAT ON COUNCIL MONDAY; NEW MAYOR TO BE CHOSEN

Robert N. Jones, who was elected to the city council at Monday's voting, will be seated on Monday night when Mayor Daniel R. Stafford is to retire. Mayor Stafford was a member of the board for six years.

Other successful candidates in Monday's election were Councilmen Paul A. McCarthy, George McNulty and Charles Lambert. The board will re-organize Monday and will name a successor to Mayor Stafford.

McNulty and Jones, with the former holding but a seven-point advantage, captured the high vote in three precincts each, while Councilman Charles Lambert was ahead in two others. In those two instances, Jones ran last.

Third man in the balloting was Councilman Charles Lambert, who polled 1296, or 61 votes behind Jones. Fourth place was captured by Councilman Paul McCarthy, who gathered 1221 votes to assure his return to the city board.

Mayor Stafford trailed the field with 1109.

The complete but unofficial vote on the council candidates stands:

McNulty (elected)	**1364**
Jones (elected)	**1357**
Lambert (elected)	**1296**
McCarthy (elected)	**1221**
Stafford (defeated)	**1109**

The library bonds, which fell 47 votes short of at least an even count in their favor, won the majority of the ballots in five of the eight precincts. But in the other three, the bonds were roundly defeated.

Precincts 1, 4, 6, 7 and 8 gave the bonds a majority lead of 683 to 538, or an advantage of 145 votes. Polls 2, 3 and 5 crushed the bonds under a 444 to 252 adverse vote, for a difference of 192 ballots. The bonds would have needed 1278 votes to succeed, actually losing the two-thirds majority by 543 ballots.

The total vote on the bonds was:

Yes—935; no—982.

Mayor Stafford, who gives way to Councilman-elect Jones Monday night next, came to the city council under appointment on July 6, 1926, to succeed Councilman A. E. Monteith, who resigned because of ill health. On April 9, 1928—four years ago Saturday—Stafford was elected to the city council.

The retiring mayor was also city clerk of Redwood City between 1892 and 1904, and has been active in chamber of commerce and civic work in this, his birthplace, for many years.

Councilman McNulty, "high man" in the voting, begins his 17th year and fifth term on the city council by virtue of his re-election.

Councilman Lambert came to the council on July 20, 1931, as a successor to Councilman Elmore B. Hinman, who resigned because of holding the county clerkship, and is elected to the office for the first time.

Councilman McCarthy was previously chosen for an odd term on June 11, 1929.

Jones has been active in civic work in the South Redwood area, and is president of the South Redwood Improvement Club.

Councilmen Charles Hildebrant, Henry Beeger and William J. Dusel, whose terms expire in two years, fill out the rest of the board of seven.

The second candidate of the league, Andrew P. Chesney, polled 1070, and the fifth and an independent candidate, Dr. A. H. Rankin, polled 562 votes.

HOLD THE NATION UNDER SANE LEADERSHIP

The Republican party approaches the campaign of 1932 with courage and confidence. It needs no one to apologize for its record. That record is written in the pages of the nation's history and speaks for itself. It is not perfect; there have been mistakes, for the party's actions are, after all, the reflection of human emotions in all their strength and weakness. But in sum total the record of accomplishments of the Republican party in behalf of human welfare and human happiness stands unequalled by that of any other political party in the world. It is the faithful portrayal of the struggles, the hopes, the ambitions and the ideals of a great people during the rise of this nation to the proud position of the most powerful and wealthiest nation in the world.

Because the United States and the world are passing through a financial depression of first magnitude, which no man or set of men could have prevented, it is proposed by unthinking citizens to turn the Republican party out of office and to substitute an unknown and untried administration for one that has been proved worthy of the confidence and support of the American people and has as its leader a man who by mental endowment and experience in political affairs is without question the most outstanding statesman in this or any other country. It is easy to prove, if the time were available, that the nation would have been in far worse plight had not President Hoover, as leader of the Republican party, acted as he did: promptly, constructively and wisely. Had Hoover not been President during the past three years, the nation with one voice today would be demanding his election, and that is the irony of fate. In the face of the greatest of world and domestic depressions following the greatest of all wars, the Republican party has carried on and justifies its best traditions, its critics to the contrary notwithstanding. No less than ten major proposals have been presented to the congress by President Hoover to combat the depression. These stand as the program of the Republican party and require neither apology nor defense.

Because of the World War, our entire national outlook has been changed. We have been literally flung into the whirlpool of international affairs as the greatest power in the world, and it is of the highest importance that we should so conduct our international relations that we do not become entangled or are made a cat's paw to pull the chestnuts of any nation out of the fire. No man is so well qualified as Hoover, by ability and experience, to cope with that situation, and no one need fear that we shall be involved in entangling alliances while Hoover is president.

Since the outbreak of war in 1914, we have witnessed in Europe the collapse of governments that for centuries have ruled hundreds of millions of people. Upon the wreckage of those governments have risen an endless series of experiments, running the whole gamut from extreme terrorism under Stalin in Russia to the dictatorship of Mussolini in Italy. Systems of government in Europe are in the melting pot. What the ultimate outcome is to be, no man today is wise enough accurately to prophesy. All we can say with certainty is that we are in the middle of a raging torrent and that it is no time to swap horses.

The United States, of necessity, has been seriously concerned in the world collapse. Our trade relations have been dislocated, the buying power of hundreds of millions of people in this and other countries has been crippled. It was inevitable that many of these world problems and the domestic problems growing out of them should find their way to the White House, and that President Hoover should become the residuary legatee of this world of chaos.

The world has had wartime and postwar inflation, temporary and false prosperity. Today it is paying the price in the form of a depression unmatched in severity in all history.

It has been a bitter lesson, but we should soon be well on the road to renewed prosperity. The extent of that prosperity will be in exact proportion to the wisdom we show in sticking to sound reconstruction fundamentals, in steering clear of quack remedies and in setting our faces resolutely against alleged short-cuts to renewed happiness. President Hoover struck the key note of reconstruction when he said, "We cannot squander ourselves into prosperity."

SUCCESSOR TO MAYOR BUCK IS BEING GROOMED

BURLINGAME, Apr. 13.—Possibility that another member of the Burlingame City Council may be elected to succeed Mayor C. A. Buck at the council meeting Monday night was indicated here today.

Councilman Allen F. Hunt, who was re-elected Monday with 1417 votes, the largest number received by any candidate, and who also polled the greatest number of votes two years ago, is considered to be the council's choice in the event that Mayor Buck is not re-elected.

As his term of office as councilman did not expire this year, Mayor Buck did not stand for re-election in Monday's balloting.

Woodside

Mrs. George B. Somers and her daughterin-law-, Mrs. Burbank Somers, are planning to leave for Europe shortly for a stay of about six months. They will spend most of their time in Paris with Mrs. Somers Sr.'s son, Mr. Willard Somers, who is there with the Beaux Arts.

Lord Bing of Vimy and Lady Bing are guests this week of Mr. and Mrs. William Wallace Mein at their Woodside home. It was Lord Bing, it will be remembered, who made such a success of the British Intelligence Office during the war. Subsequently he was for several years governor general of Canada and after that was placed at the head of Scotland Yard. He has but recently resigned that post on account of failing health.

The Mein place is one of the most interesting homes in this valley. In architecture it is modeled after Mr. Mein's home in South Africa and its furnishings have almost all been brought from abroad. The furniture was all hand made in South Africa out of the native camphor wood and the draperies and rugs are all specimen pieces brought by the Meins from India and China.

Mr. and Mrs. August Mengler went to Martinez last week to celebrate the anniversary of their wedding that took place there three years ago.

The Woodside Fire Department's baseball team met its Waterloo or something last Sunday when it was defeated by the Redwood City Eagles by a score of nine to six. An autopsy revealed that the dance given by the firemen the night before the game had a part in the responsibility for the defeat.

Miss Elsie Toles, director of education at the San Jose State College and Gerald Prindiville, a former student teacher at the local school, were visitors at Woodside last week.

Fifteen children from Portola and Woodside, all of them under school age, received a physical examination by Dr. Howe of Redwood City on Tuesday morning. This service is rendered annually under the direction of the Woodside Parent-Teacher Association. Mrs. John' D. Gish was the committee chairman in charge of the arrangements.

The card party planned for by the Woodside Gardeners' Association will be given at the Woodside School auditorium on the evening of April 18.

Cledeath Pace, who was taken to the hospital for observation last week, has returned to his home here but will be under the doctor's care for some time.

Miss May Huddart has invited the Woodside Girl Scouts and the Redwood City Scouts to picnic at her place in the hills on the 23rd of this month.

In celebration of Public School Week a musical program will be given at the school auditorium on the evening of April 28, under the direction of Mrs. Helen Huebner, the school's music director.

The citations which comprise the Lesson-Sermon will include the following from the Bible: "Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new. And all things are of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation" (II Cor. 5:17, 18).

The Lesson-Sermon also will include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Atonement is the exemplification of man's unity with God, whereby man reflects divine Truth, Life, and Love. The atonement of Christ reconciles man to God, not God to man; for the divine Principle of Christ is God, and how can God propitiate Himself? Christ is Truth, which reaches no higher than itself. Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed n the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Refuse substitutes. 25c at all stores. © 1931, C. M. Co.

Seven boys and girls of the San Mateo Preventorium are to receive the Young Men's Christian Association awards at the next meeting of the Friendly Indian Club.

Irvyn Bader, Mary Broderick, John Carli, Isabel Schoenborn, Bob Shaffer and Virginia Sand are advanced from the buck to warrior. Virginia Sowle successfully passed the requirements for the buck.

In the competition for the office of chief, which is given to the member having the highest number of points during the month, Virginia Sand won the honor.

There are now 26 members in the Crow Friendly Indian Club under the leadership of R. A. Hohberger, boys' work secretary of the San Mateo County Y.M.C.A.

WILL IN COURT

Raymond T. Donohue of San Francisco today has on file in Redwood City a petition to probate the will of James J. O'Hara, of the United States Army, who died in Washington, D. C., May 30, 1930, leaving real property in Burlingame not to exceed $10,000 value.

The game of badminton, then known as "Poona," was played in India for centuries before it became known to the English in 1873.

LEAGUE DEBATE SCHEDULES FOR SCHOOL ISSUED

Bob Schaffer and Jack Murphy, affirmative speakers, and Alice Swift and Tom Needham of the negative team will represent Sequoia high school in league debates Monday with San Mateo and Los Gatos high schools.

The question for discussion will be, "Resolved, That the United States should establish a department of education with a secretary in the president's cabinet."

Mrs. Elizabeth Littler, debate coach, announces that the Sequoia speakers will oppose those of Girls' High School and St. Ignatius High School in two practice debates tomorrow in San Francisco.

Sequoia's chances for the championship of the Peninsula Debate League are staked on Monday's debates. The Redwood City debaters won unanimous decisions in their opening engagements several weeks ago with Palo Alto and Bellarmine, while San Mateo was likewise successful.

1500 View County Scenic Film Daily

Fifteen hundred people a day are viewing the two advertising films of San Mateo county—a one-reel "talkie" and a two-reel silent—which are being exhibited daily in 25 states over the nation.

During March, Roscoe D. Wyatt, manager of the county chamber of commerce, reports 39,372 persons viewed the silent film and 5665 saw and heard the talkie, for a total of 45,037.

The grand total of persons who have viewed the two films now is 885,919 and gives indication that the million mark set by the county chamber will be achieved.

Two Charged With Battery Are Freed

Harvey Huesties, former Menlo Park police officer, and George A. Green, Menlo Park tree surgeon, were found not guilty in Justice of the Peace Edward McAuliffe's court in Redwood City today on charges of battery.

The complainant was Guy Hughes, Palo Alto tree surgeon.

Judge McAuliffe said there was doubt as to who struck the first blow in a dispute the three men had in Atherton recently. Hughes was accused of striking Huesties over the head with a pair of pliers during the argument.

As predicted in this paper during the campaign Mayor W. H. Weeden and Edward Hart were elected on Monday last by substantial pluralities. Mr. Weeden received a plurality of 38 votes and Mr. Hart 37. Mrs. Fannie I. Kurtz was re-elected by a big vote as was J. W. Ryan for treasurer. Of the 1150 registered votes 894 voters came to the polls. No clash occurred by the respective factions to mar the beauty of the day. When the count began Weeden and Hart took the lead and kept it until the final ballot was counted.

Furman, Mielke and Walker put up a stiff battle but could not break down the battlements established by the administration for good and clean government given by Mayor Weeden and the members of the council.

It is to be regretted that mud slinging was injected into the campaign that could just as well have been left out, but as everything is fair in love and war, we suppose that it could not be avoided. Let us hope that all bitterness of the campaign will be forgotten and all will work for the betterment of the community, that has such a roseate future. The vote was as follows:

Father Francis M. Harvey, the first priest ordained at St. Patrick's Seminary, has become pastor emeritus of his parish in Oakland. The Rev. Father O'Neile has been selected to relieve Father Harvey of much of the work of the big church. Father Harvey for many years occupied the chair in English at the seminary before taking up parish work. In his time Father Harvey was accounted one of the finest orators in the diocese.

On Monday evening May 2, the Menlo Native Sons and Daughters will give a card party for the benefit of the unemployed in Menlo Park. The games are to start at 8:30 in the school auditorium on the highway and the promise of many useful prizes should prove to make the evening a great success.

Fred Whitaker, retired chief of the Menlo Park Fire Department, was guest of honor at a banquet given by Menlo firemen Saturday night. Whitaker, chief of the department for 13 years, was presented with a diamond ring. Thomas Cuff of Berkeley recently succeeded Whitaker. Public officials and businessmen of Menlo Park were speakers.

Last Wednesday afternoon Sister Mary Catherine, O. P., known in the world as Cecile Marentette, made her religious profession in the public chapel of the Corpus Christy Monastery before a large number of friends. The ceremony was impressive and lengthy. Sister Catherine was, for some time, a lay sister at the monastery before entering the cloister and in this capacity became quite well-known to many in Menlo Park. She has a sister, a nun, in the monastery. Sister Catherine was at one time a teacher at her home town in Canada.

Mr. and Mrs. P. P. Eyre have opened their estate at Atherton during the week after spending the winter months in San Francisco.

D. E. O'Keefe and Bernard Larrecou, at the last meeting of Menlo Parlor N. S. G. W., were selected as delegates to the grand parlor that meets at Stockton on the middle of May. Samuel M. Shortridge Jr. is to be a candidate for re-election as grand trustee. Both delegates will work earnestly for the home candidate.

Rev. W. P. Sullivan, pastor of the Church of the Nativity during the war, has been appointed rector of the Most Holy Redeemer Church in San Francisco. Since leaving here Father Sullivan has been connected with St. Mary's Cathedral.

Peggy Gagan has been appointed to a position in the assessor's office at Redwood City. The young lady is highly accomplished both as a stenographer and an accountant. She is a graduate of Notre Dame Convent at Belmont.

Bishop Mitty will shortly administer the sacrament of confirmation to a large class in the Church of the Nativity. He was recently a coadjutor bishop to Archbishop E. J. Hanna. This will be the first time he will administer the sacrament in California under his present appointment. For five years he has been the bishop of the diocese of Utah. He is a very brilliant orator and a cultured gentleman.

Running a close second to Francis I. Cronin of Santa Clara, Sergius F. Bryner of Menlo Park qualified last Friday night in public tryout to represent Bellarmine with Cronin in the district finals of the National Oratorical Contest on the Constitution of the United States. The two orators were successful against six other veteran speakers of the school and will meet Alameda High and Tracy High in Alameda toward the end of April. The winner in Alameda will advance to the sectional finals at Santa Barbara early in May, the next step toward the national finals in Washington, D. C.

Sergius Bryner, a senior, entered Bellarmine from St. Joseph's parochial school in Menlo Park.

W. B. Simpson arrived yesterday from Chicago to occupy his palatial home at Atherton for the summer months. Mr. Simpson is the president of the well-known firm of Marshall Field and Company of Chicago, the largest merchandise store in the world.

Contracts have been awarded for street improvements in Bellhaven City amounting to over $150,000. Work has been started on the big enterprise and many men will be employed for a long period of time. The contracts will somewhat relieve the unemployment condition in this locality.

We desire to thank all those kinds friends for their support and vote at the election on Monday whereby we were chosen to serve onthe city council for four years. We pledge ourselves for an economical, progressive and harmonic administration, working always for the very best interests of Menlo Park. We appreciate the confidence placed in us by the electorate and in return for this trust our every act will be for the betterment and advancement of Menlo Park, the city we all love so well.

W. H. WEEDEN.
EDWARD HART.

At the political meeting held at the Family Club hall last Saturday evening Judge Hoss in addressing the gathering declared that he had resigned his position of city judge. The announcement caused much regret among his numerous friends for he was considered an ideal judge, one who dealt out justice without fear or favor. Such an efficent and capable man ought to be kept in office. The small compensation of the position does not justify Mr. Hoss in retaining it. He has been filling it with a loss to his business.

The city council met in regular session last Monday night. Blake was the only one of the council absent. Very little business was transacted. All the claims of the election officers were allowed and ordered paid.

Assessment and diagram of 31-6 was returned to the city engineer for modification and refiling. This assessment was for work done in Paraiso Park. On account of the heavy rain last winter the work was halted and was recently completed by Contractor Wood. A new assessment will have to be filed with the council.

The council adjourned until April 18 when a canvass of the election returns will be made and the new officials inducted into office. At this meeting the retiring officials will sing their swan songs and the incoming members will make their maiden speeches. The meeting should be an interesting one. At this meeting, too, a city judge will be chosen to succeed Judge Hoss who has resigned. It is rumored that the personnel of the council may be changed, but those close to the members claim there will be no change for the present.

There are about 250 bull rings now in Spain. About 1500 bulls and 6500 horses are killed annually in the bull fights held in these rings.

April showers should be Hot!
no delay or bother with Automatic Hot water
Automatic HOT Water Costs Less
Prices of Automatic Gas Water Heaters down 50% compared with 1917... Operating cost cut 40%* thanks to Natural Gas. Easier terms... as low as $4.85 down, $3.85 a month

DO YOU PREFER showers to tub baths? If so, Automatic Hot Water is even more important. You have a steady even flow of hot water at the turn of the faucet. No need of constantly regulating the temperature. No danger of scalding water.

When you have no Automatic Heater a shower bath is not so pleasant. You wait for water to heat. When you step under the shower, the water at first is likely to be too hot. Soon it cools off, and you've missed the pleasure of a real shower.

Bargain in Automatic Gas Water Heaters

Now is the time to connect an Automatic Gas Water Heater to your present plumbing. You can buy an Automatic for 50% less than you could in 1917. Yet the new, improved Automatics are more attractive and better built than ever. The terms are easier too, as low as $4.85 down and $3.85 a month. And you can trade in your old non-automatic water heater or water-back and receive a liberal allowance.

Saves Your Time and Energy

Plenty of Automatic Hot Water dissolves dirt from 2 to 20 times faster. That *saves your energy* with the clothes, dishes, and all your other household cleaning tasks.

With an Automatic you do not wait for water to heat. *You save time.* Studies have been made which show that an Automatic Gas Water Heater saves 4 to 6 hours each week. These additional hours can be used by the housewife for reading, shopping or entertaining.

Stop in today and see the new Automatic Gas Water Heaters. When you purchase one you are not buying a luxury, but making an investment in one of the most important necessities for healthful, happy home life.

*According to our gas rates, Automatic Water Heating with Natural Gas saves the average consumer 40%.
